James Horton FRBA, *Walden Pond*, 41 x 46 cms. oil

Welcome to this, the 293rd exhibition of the RBA.

As always, we strive to mount the best possible exhibition featuring not only the work of our members but also that of non-members. This year we are also showing a small group of paintings by gifted young artists from the Dover Federation for the Arts and also the National Association of Decorative and Fine Arts Societies (NADFAS) who are prizewinners. Supporting and encouraging young artists is essential to our future and over the next few years we hope to develop this link with both of these bodies.

This year's de László prizewinner is the distinguished sculptor Hilary Frew who will have a special display of recent work. Special thanks go particularly to the de László family for their continued support and participation in our society.

James Horton

President of The Royal Society of British Artists
